COMMANDING VIEW OF THE OBI OBI VALLEY!

This is your chance to secure a 64-acre (26.23 ha) slice of the beautiful Obi Obi valley. In fact, the executive home on this property is well positioned to have a commanding view of the valley.

Set on a knoll, in rolling lawns, this home is just made for a family. The living area is divided between a formal lounge room and a casual family/dining room. The lounge room is carpeted and has air conditioning while the family/dining room is tiled and has a slow combustion heater. The newly updated kitchen features a gas cooktop, stone benchtops, a pantry and a moveable island bench. The feature lighting over the breakfast bar is superb!

There are 5 bedrooms and 1 study. However, you can arrange the rooms to suit your own needs.
