## A BETTER WAY TO LIVE, IN THE COUNTRY!

The current owners of 104 Ray Myers Rd have created a twist on the “country Queensland lifestyle” ... it’s a better way to live, in the country! There are 6 doors connecting the house to the verandas, a seamless transition from the inside living space to the outside living space. The verandas duplicate everything that is inside, complete with ceiling fans and a pot belly wood fire. They provide lounge, dining and kitchen spaces, outside. There is even an outside shower and a semi-enclosed toilet. The external lounge area overlooks the pool.

A tropical boardwalk connects the self-contained guest cottage to the main house. Apart from the pool, resort features include a Bali hut on a platform, overhanging the dam, an all-weather tennis court, a fire pit and bush dining. You’re spoilt for choice of places to relax or entertain.

The fully enclosed garage/workshop includes a separate craft room while a
