18 Tiffany Road, Imbil

IT'S A VERY CUTE COTTAGE!

If your property search includes a three-bedroom cottage on a block with plenty of room, close to civilisation but not too close, take a closer look at 18 Tiffany Rd. This cottage is tucked away, at the end of a "no through road", just a few minutes from the Mary Valley village of Imbil.

While the cottage is cute from the road, it's just as cute from the inside. There's a full-length veranda on the northern side of the cottage with a short return on both the eastern and western sides. The veranda is a great extension to the living space. You can sit on the veranda and while away the day!

Inside, it's an open plan living room with timber-look floors and timber & glass sliding doors on 3 sides. The kitchen has a freestanding stainless-steel gas stove with a matching rangehood, a pantry and an island bench. There are three bedrooms. The master is separated from the others and features an en-suite, walk-in-robe and direct access to the side veranda. Bedrooms two & three have built-in-robies and one of them has side veranda access too. The main bathroom has a feature bath tub and a separate toilet.

Vehicle parking and storage are available under the cottage. The cottage is sited on 3 acres (1.24 ha) with a dam, and while it is predominantly natural bush, there are some grazing options.
