VENDOR WILL CONSIDER SERIOUS OFFERS TO FINALISE A SALE.

The homestead at 677 Lowe Rd is surrounded by well-established lawns and gardens, in a defined "house paddock" with a rural outlook. From the driveway/garage area, you enter a long shady front veranda, the ideal spot at all the best rural homesteads. The house has a feature block exterior while the covered-veranda has a paved floor.

The living area features cathedral ceilings and tiled floors. The kitchen, separated from the dining area by a breakfast bar, has electric cooking, a dishwasher and loads of bench and storage space. An enclosed rear veranda, with a study at one end, adds plenty of additional options to the living space. A central hallway leads to four generous sized bedrooms, one en-suited and one with direct bathroom access. There are two toilets.

Outbuildings are a feature of this property. There are two garages and a carport adjacent to the home that cover all of the vehicle, workshop and storage needs. An open machinery shed near the cattle yards covers all the farm equipment. The 73.62 ha (182 acre) property is divided into 8 well-fenced paddocks serviced by water from 8 dams. The paddocks and yards are connected by a central laneway.

It's ready for you to move straight in and enjoy your rural lifestyle!
