HOUSE ON DOUBLE BLOCK ... \$475,000

This original Imbil house is a fine example of the Queensland post war period. Built in the mid-late 1940's, the home is in excellent condition, both inside and out. It is sited on a 1¼ acre (5,064m²) double block with 40M frontage to Meyers St. The house is wholly contained on number 7 Meyers St while the garage and carport are sited on number 5. Both blocks are very long, crossing the seasonal creek, allowing for a good-sized paddock, right in the middle of the village.

The painted weatherboard home sits proud in a spacious garden that features rolling lawns and well-established Poinciana trees. It certainly has the look ... street appeal!

Internally, the home shows every feature of that post war period including high ceilings, timber walls and ceilings, picture rails and banks of casement windows. The living area has some semi-separation with two period wall dividers. The kitchen is a large eat-in style, and it's original! It includes a slow combustion stove and Art Deco cabinets. There are two dedicated bedrooms, an extra-long sleepout and one upstairs bathroom. The laundry, second shower and toilet are all located under the house together with a concrete paved area suitable for vehicles parking, workshop and storage.

There is a matching single garage, with power and a timber floor, plus a single
