PICTURESQUE DOUBLE-STOREY HOMESTEAD!

VENDORS ARE KEEN TO MOVE, AND WILL CONSIDER ALL SERIOUS OFFERS!

This Imbil property is located towards the end of a cul-de-sac road where the picture-perfect home sits in a natural bush setting on the 4- acre (1.61 ha) block, partially obscured from the road. However, what you can see of the house from the road tends to invites you in, and the semi-circular driveway delivers you right to the front stairs.

Externally, the cypress timber clad home has decked verandas on all sides, with the wide rear veranda the ideal entertaining spot. Internally, you enter a semi open plan living space, set around the internal staircase. Polished timber floors and dado walls are featured right through the home. The lounge and dining rooms are at one end of the living area and, in a kitchen that backs onto the stairwell, you look straight into the outside entertaining area. The slow combustion heater will keep the whole house warm.

The kitchen has a long island bench, a gas cooktop, dishwasher and a pantry. Bedroom three is downstairs together with a generous sized powder room and study nook. Upstairs, there are two very generous sized bedrooms, both with walk-in robes, high ceilings and window seats set into the dormer windows. The master bedroom has its own private deck! The spacious bathroom sits between the bedrooms with a deep corner bath, separate shower and feature vanity.

Vehicle parking includes a separate double garage, while additional sheds and under the house cover all storage options. The grounds are established and there is plenty of tank water storage.
