200 Hunsley Road, Kidaman Creek

DECEASED ESTATE - MUST BE SOLD!

157 ACRES WITH OBI OBI CREEK FRONTAGE!

Hunsley Rd is a quiet road with access mostly restricted to local residents. It's off Obi Obi Rd, a road that runs between Kenilworth in the Mary Valley and Mapleton on the Blackall Range. While Hunsley Rd provides the access to the property, it also splits the property into two distinct blocks (in one title).

On the creek side, there is approximately 20 acres of mixed grazing land, with around 400m frontage to Obi Obi Creek.

The land on the other side of Hunsley Rd is predominantly treed, providing both privacy and views. A driveway through the trees give good access to a well-prepared house site, towards the middle of the treed block. While this is the most developed building site, there are a number of other sites.

The 63.71 ha (157 acre) block is a blank canvas!

The property is around 10 minutes from Kenilworth and 15 minutes from Mapleton. You can join the freeway at either Eumundi or Nambour in just over half an hour, on your way to anywhere.

Inspections of 200 Hunsley Rd Kidaman Creek can be arranged by contacting the team at ron jeffery realty. With offices in both Imbil & Kenilworth, ron jeffery realty have the Mary Valley covered.
