RUSTIC RETREAT!

11 Gossamer Dr is a Rustic Retreat, a country home in the city. The homestead here is set well back from the road, shielded by mature grounds on the well-fenced half-acre block (1,926m²). A brick path leads from the gravel driveway to a wide, paved front veranda with high ceilings. Externally, it's timber-clad and, apart from the front door, has a number of sliding door access points.

Internally, the long main living area has the lounge at one end and dining at the other. The air-conditioned room has high ceilings and carpeted floors. A wall separating the hallway from living room was designed to screen one from the other, without restricting the airflow.

The rustic timber kitchen is equipped with a dishwasher and gas cooking and includes a casual meals area. There are 3 bedrooms in the main house, the master with an en-suite, all with built-in robes. The main bathroom has a bath, separate shower and separate toilet.

A matching studio, separated from the house by a double carport, is totally self-contained and includes a garage/workshop. The studio has a bedroom, kitchenette and bathroom facilities, as well as two studio or living rooms. It's a great addition!

At Buderim, you're in the middle of the action, close to schools, shops, services, restaurants & cafes. 11 Gossamer Dr is just 10 minutes from the beach and has easy access to the Motorway and Freeway, on your way to anywhere!
