REPLACE THE HOUSE? ... YOU BET YOU WOULD!

Not quite a vacant block ... not quite a house & land package!

REPLACE THE HOUSE? ... YOU BET YOU WOULD!

The 43 acre (17.54 ha) lot in Barsby Rd come with an old house that needs replacing. However, it sits in a great spot, overlooking this block and the rural countryside beyond. There is power to the site and an old machinery shed that should be saved.

Some of the features of the block include the large picturesque- dam, the outstanding views from the house site, the mixed grazing country, and its private location. In a time when larger grazing blocks are hard to find, this one will tick all of your boxes.

The house site is towards the end of Barsby Rd and, while it is off the main road, it is still handy to the village. It's 5 minutes from Imbil, 20 minutes from Gympie and 10 minutes from the new freeway, on your way to anywhere.

Inspections of this lifestyle opportunity can be arranged by contacting the team at ron jeffery realty. With 3 offices conveniently located in Imbil, Kenilworth & Montville, ron jeffery realty have you covered ... from the valley to the range.
