POMONA CITRUS ORCHARD!

FERTILE LAND – ABUNDANT WATER – EXCELLENT SHED

The established lemon & lime orchard at 267 Louis Bazzo Dr is sited on a relatively flat 73 acre (29.62 ha) block, with long Six Mile Creek frontage. The good soil is courtesy of a creek that has flooded over the centuries, but that's what creeks do!. However, regardless of the creek, water for the orchard is supplied from a series of billabongs and 3 large dams.

The orchard is predominantly a lime orchard with approximately 2,800 lime trees. The balance are lemons – over 750 trees. All up, the orchard has around 3,600 trees. While the current owners have transformed the orchard by pruning and tree removal, they have left plenty of scope for new owners to grow the business.

The packing shed is the hub of the orchard. Approx 160m² of fully enclosed space with high access, the 5-bay shed covers all the orchard's storage needs, including a cool room/degreening facility. While only used for small orders, the washing, grading & sorting equipment is included in the sale. The shed also provides temporary or on-farm accommodation, with a kitchenette and bathroom facilities.

An open machinery shed connected to the packing shed houses the larger farm/orchard equipment. These items form part of the sale and include, but are not limited to, a tractor, mower, quad, slasher & sprayer ... in fact, all the equipment needed to continue the orchard business. The property has 3-phase power and there are a number of house sites to choose from. One, just inside the property, is elevated whereas others will need to have a higher pad or be
