INVESTORS ... THE POSSIBILITIES!

86 Noosa Rd is a half-acre (2,023M2) residential block with the house built to one side. Investors... the possibilities!

While the home is a Gympie original, built in 1960 and until now, kept in the original family's ownership, it has been maintained in excellent condition, inside & out. The presentation is immaculate!

Externally, it's a chamferboard-clad home on a brick base with a new roof. Inside access is from a porch, both front and back. From the front, it's straight into a compact timber kitchen with a freestanding electric stove. The dining room is open to both kitchen & lounge and the whole living area has casement windows & vinyl floorcoverings over excellent timber floorboards. The fireplace is the centrepiece of the loungeroom! There are three bedrooms and one modern bathroom. This is a very comfortable home in a great spot with views in three directions.

Underneath the home, apart from laundry facilities and a downstairs toilet, provides a great space for workshop, storage and a possible single vehicle parking bay. Outbuildings include a carport attached to the house, catering for 2 vehicles, and a shade house. The half-acre block provides a large open space ready for the new owner's decision making!

Located on the south-eastern edge of residential Gympie, only 5 minutes from the CBD, it has easy access in any direction... on your way to anywhere really!
