16 Pheasant Way, Kandanga

IT'S ALL ABOUT THE LIFESTYLE

AND THE PRIVACY, AND THE VIEW, AND THE ...

When you arrive at this Pheasant Way property, you take a deep breath and relax. You're home ... and what a home it is! Here, the collection of buildings, set in manicured grounds, combine to create an unrivalled lifestyle, with excellent entertainment options. The long driveway enhances the private feeling, taking you towards the back of the 12-acre (4.95 ha) block.

The main house has a comfortable, peaceful feel with a polished timber floor & slow combustion heating. The recently upgraded kitchen, with a gas cooktop & dishwasher, overlooks a casual living/dining room with excellent views through walls of louvre windows. Both living areas have direct access to a fantastic veranda/deck that enjoys the view and continues the living space. The master bedroom has an ensuite, walk-in robe and access to the study. There is a second/guest bedroom and a main bathroom.

Gecko Cottage is a large, fully self-contained bedsit/cottage, set away from the main house ... great for long-term guests or extended family. The third accommodation option is also an entertainment option ... set at the back of the main garage, it is home to a bar-room, a bedroom and an office.

There are two garage sheds that provide all the vehicle parking, workshop & storage that you could ever wish for.

Relaxation & entertainment options include an inground pool & cabana, the expansive deck at the main house, the bar-room, a pizza oven hidden in the rainforest and a picnic spot at the dam. Speaking of dams, there's 4 of those.
