AMAMOOR HOMESTEAD & COUNTRY COTTAGES!

With a choice of accommodation options, Amamoor Homestead offers an active & passive income, and a Mary Valley country lifestyle!

The focal point of the 32-acre (13.12 ha) property is the homestead. With 4-metre-wide verandas on three sides, it offers a fantastic view over the established grounds & the Amamoor countryside beyond. The standout features in the grounds are the large dam and the Poinciana & Jacaranda trees. There is always colour in this garden.

The veranda gives inside access to a home with 3 en-suited bedrooms plus a single bedroom, office and main bathroom. There are 2 kitchens, a commercial kitchen and a house kitchen, and a choice of inside and outside living spaces. As a family home, it's a cut above the rest!

There are 3 self-contained cabins, one with disable access, separated by landscaping and a good distance from the homestead. The one-bedroom cabins all offer full kitchen & bathroom facilities and a private balcony.

The garage complex, set away from other accommodation options, includes a self-contained flat and space for equipment, storage and work areas. The property has fenced paddocks to cater for horse/cattle grazing or other country lifestyle choices.

In the past, Amamoor Homestead has operated as a B&B in the Homestead plus self-contained short-term accommodation in the cabins ... an active income. The property is also home to two communication towers that provide an excellent passive income.
