238A Pikes Road, Glass House Mountains

## GREAT HOUSE WITH MOUNTAIN VIEWS!

The property at 238A Pikes Rd is a great package that includes a three-bedroom home & outbuildings all sited on a one acre (4,000M2) lot with a magic view of the local mountains.

The home is "as new", both outside and inside. Externally, the chamferboard-clad house has a porch at the front entry and a wide covered deck for relaxing, entertaining & enjoying the view at the back.

Internally, the home is open plan in design and includes a combined lounge/dining area and a rumpus/pool table spot. The living area has a mountain view from every window ... and it is a magic view!

Floorcoverings are timber-look planks in the living & traffic areas and carpet in the bedrooms.

The kitchen has electric cooking, a dishwasher and plenty of bench space & storage. It is separated from the living area by a breakfast bar.

While all three bedrooms have built-in robes, the main bedroom is air-conditioned and has an en-suite. The bathroom has a bath, separate shower and a separate toilet.

Outbuildings include a freestanding double garage with ample room for two vehicles plus workshop & storage, plus a smaller storage/garden shed. Water tanks and the septic system are first class.

While the fully-fenced block is well grassed, it is a blank canvas. The battle-axe style entry adds to the property's privacy.
