“VALLEY VIEW” ... A RURAL LIFESTYLE!

OWNERS INSTRUCTIONS ... MUST BE SOLD!

With a total area of almost 260 acres (104.7 ha), “Valley View” has a commanding position that takes in the valley below the lookout, on the Kenilworth side of the Bluff pass. The property has long road frontage, and borders the Council-owned nature reserve at the Kenilworth Bluff.

The homestead & outbuildings are grouped together towards the middle of the valley, a picturesque site as you arrive. The mature grounds include an inground pool, mature trees, edged gardens and rolling lawns. The double storey home is a former Queenslander, previously updated with a brick exterior that encloses underneath, creating a large multi-purpose room.

The main house is upstairs where the kitchen is the inside focal point. It is eat-in size with good storage, gas cooking and easy outside access. The living room has polished timber floors & air conditioning. While there are many options for outside entertaining, the deck off the kitchen/living room is a great spot overlooking the pool, the established grounds, grazing land & the escarpment beyond. There are four bedrooms, plus an enclosed veranda or sleepout, and one bathroom with a separate toilet. An internal stairway connects the upstairs house to the multi-purpose room below, recently used as office & family room. Downstairs also includes a second toilet, laundry & additional storage.

Passenger vehicle parking underneath the home is complimented by a modern, high-clearance, 26M X 12M machinery shed, plus other assorted sheds. This is a working cattle property and comes with a great set of cattle yards, well organized paddocks, good grazing land and plenty of water. Timbered shelter
