IMBIL GARAGE

OPPORTUNITY!

IMBIL GARAGE, the business located at 3 Imbil Island Road, has been established as a workshop & fuel outlet on this site for longer than most residents can remember. Current work undertaken includes all types of mechanical repairs, vehicle inspections and tyre repairs, fitting & balancing.

Sited on a 1,175M2 block, the garage building incorporates a customer reception room & shop, a mechanical workshop, spare parts & tyre storage, and staff facilities that include a kitchenette, bathroom and lunchroom. The site also has an undercover inspection pit, and petrol & diesel facilities with old-fashion driveway service at the pumps. The block also allows for vehicle parking on site.

This is the sale of land & buildings and the business, as a going concern on a WIWO basis. Therefore, the sale includes all plant & equipment, fixtures & fittings and stock on hand. The current owner will be moving to retirement after well over 30 years of trading.

Imbil Garage is located in a prominent position, close to Yabba Creek, Imbil Town Bridge & Imbil Camping Retreat. Because it's near the intersection of Kandanga Imbil Road & Imbil Island Road, it is always visible as you either enter or leave the village.

Imbil is currently enjoying a residential & commercial development boom with plenty of activity in both sectors. With more development to come, the time is right to explore the opportunities available at Imbil Garage, whether they involve a garage operation or other commercial facility.
