OFFERS INVITED FOR THE GREAT ENTERTAINER!

While life is full of choices, it is always better to make the right choice first. So, if resort-style living in the hinterland is your lifestyle of choice, take a closer look at 438 Kandanga Imbil Road ... it has a lot to offer!

The home is set on a 6-acre (2.6 ha) block where land size, location & topography combine to provide both views & privacy. Resort-style living always starts with a pool; it's central to how we relax & entertain. At this hinterland property, the pool is complemented by the adjoining entertaining area ... but we'll come to that shortly.

Cut into a hillside that now features a spectacular rock-wall garden, the northfacing sandstone-look residence has a sheltered front veranda that gives access to a wide entry hall. This is a home that offers a wide choice of spacious living & dining options, including:

- A formal living area divided between a loungeroom with an open fireplace and a dining room that can take a large dining setting,
- A casual L-shaped lounge/dining, for everyday use, where a built-in bar takes entertaining to a whole new level, and
- Poolside lounge/dining, ideal for you to relax on your own, or to entertain a crowd in style.

There are two kitchen options:

- The main inside kitchen featuring electric cooking, a dishwasher, good bench space and a huge walk-in pantry, or
- The outside kitchen, in the entertaining area, beside the pool.
