## Lot 4 Tiffany Road, Imbil

### ON THE EDGE ... BUT TOTALLY PRIVATE

60 acres (24.35 ha) of natural bushland gives you the opportunity to disappear ... buried in your own bush.

However, while this block has the look and feel of remote living, it's almost in the residential area. The block has sealed road access from Tiffany Road, off Ray Myers Road. The property is zoned rural but adjoins the rural residential area. It is a comfortable 5-minute drive from the heart of the village. Mains power is available.

The block is a nature's wonderland. This is not a grazing block, it's home to all our native flora & fauna ... and a good selection of our birdlife!

Imbil is set on the banks of Yabba Creek and the edge of Imbil State Forest. It's the gateway to Borumba Dam. Gympie is half an hour away and you can be on the new freeway in about 10 minutes.

Inquiries should be directed to Ron Jeffery (0402 223 201) or any member of the RJR sales team. With two Mary Valley offices in Imbil & Kenilworth, RJR Property has the hinterland covered.

Private acreage in the Mary Valley ... it's a lifestyle choice!
