183 Kidaman Creek Road, Kidaman Creek

PRIVATE UNIQUE ESTATE - INSPECTIONS BY APPOINTMENT.

183 Kidaman Creek Road is approximately 48 acres (19.22 ha) of lush grazing country located in the perfect position - 12 minutes to Kenilworth, 25 minutes to Maleny, 30 minutes to the highway at Nambour and within an hour to Noosa, the Sunshine Coast Airport, Maroochydore plaza and more.

The home is unique, at the end of the 210m concrete tree lined driveway and behind wrought iron gates, and can best be described as grand.

The entry has a breathtaking water feature that starts in the formal driveway and continues into the enclosed atrium. Surrounded by rainforest gardens and palm trees, you can meander down into the grounds or through to the home itself. With over 40 fountains, holding nearly 130,000 litres of water, and filled with ferns & goldfish, this water feature has a screened roof allowing the rain to filter through even inside.

The atrium has high ceilings, curved walls and pebbled tiles, and gives a whole new meaning to bringing the outside in.

This centrepiece feeds into the bedrooms and bathrooms on either side. The master bedroom has a huge ensuite and walk in robe. There are two additional double bedrooms, one with an ensuite, plus a large office or 4th bedroom. The main bathroom and full sized laundry also have direct access outside.
